

For over 30 years, Santa Barbara Summer Stock (SBSS) has been providing families, young actors and audiences with truly outstanding theater training and performance.

We are very proud to be part of a non-profit philosophy. We strive to provide service to our community while keeping the cost to our families as reasonable as possible. The youth of Santa Barbara are hungry for art and theater and we want to continue to feed that hunger for many years to come. There are a limited number of partial scholarships available. Applications can be requested via our email address and will be awarded based on need.

We are committed to developing our program's financial strength. We want to secure our future and expand our ability to provide a truly unique and enriching youth theater experience to families of all incomes. Please help us to continue what has been a magical journey in the world of Youth Theater in Santa Barbara now and for the years to come.

*There are a limited number of spaces available in our program. Spaces are awarded on a first-come, first-served basis. We are not able to hold spots for actors and previous participation in our program does not insure placement. Please avoid disappointment and enroll early!*

Thank you for your continued support!

Presents our  
2011 Season

**Mission Statement:**

“Santa Barbara Summer Stock strives to produce wildly creative and unique showcases in theater, music, dance and art for young people.”

For over 30 years, Santa Barbara Summer Stock (SBSS) has been bringing its own brand of theater training and performance to families, young actors and audiences in the local Santa Barbara area.

A few points that make SBSS unique from other summer youth theater programs:

- ★ Everybody acts, sings, and dances! All actors are guaranteed parts and lines in our plays. Our auditions are for casting purposes only.
- ★ SBSS offers young directors, choreographers, technicians, writers, and staff assistants a place to develop and practice their craft.
- ★ We encourage creative collaboration and input from our actors.
- ★ Our plays are usually highly adapted works in order to provide maximum parts, creative license, lines, and participation for our young actors.
